

MUHAMAD NAUFAL RIFQI

PRODUCT DESIGNER · DIGITAL BANKING & FINTECH SPECIALIST

Bekasi, Indonesia · nrifqi@gmail.com · +62 815-9400-018 · linkedin.com/in/naufalrifqi

PROFESSIONAL SUMMARY

Product Designer specializing in end-to-end mobile and web interface design, design system architecture, and user research within the digital banking sector. Demonstrated track record at Superbank collaborating in Agile cross-functional environments to deliver intuitive, accessible, and compliant financial user experiences in funding and lending. Skilled in translating complex fintech requirements into scalable iOS and Android digital products.

PROFESSIONAL EXPERIENCE

SUPERBANK INDONESIA — Product Designer

2022 – Present | Jakarta, ID

- Lead end-to-end UI/UX design for core mobile digital banking features across iOS and Android platforms, focusing on funding and lending products.
- Key Achievement:** Contributed to the product design for Celengan by Superbank, which won the *IDX Channel Anugerah Inovasi Indonesia 2024 Award* for Most Innovative Financial Product.
- Collaborate in Agile squads alongside Product Managers, Engineers, UX Researchers, UX Writers, and other related stakeholders to translate business goals into intuitive product features.
- Conduct user research to uncover user needs and align them with product and business goals, using iterative usability testing to refine digital banking flows.
- Standardize product design documentation and contribute to scalable design system components, optimizing design-to-engineering handoff and accelerating sprint cycles.

DETEGO INDONESIA — Sr. Graphic Designer

2021 – 2022 | Jakarta, ID

- Executed visual design solutions across multiple digital brand touchpoints while maintaining high standards for visual architecture and consistency.
- Translated creative briefs into scalable design deliverables in close alignment with creative leadership.
- Produced clear design guidelines to streamline production workflows across marketing and creative teams.

ROCKTOKOM CONSULTING — Creative Director (Kaya Juice)

2020 – 2021 | Jakarta, ID

- Directed end-to-end brand identity strategies and visual guidelines for digital marketing channels.
- Oversaw content creation and visual production strategies for promotional and media campaigns.

ROCKTOKOM CONSULTING — Product Designer (UI)

2020 – 2021 | Jakarta, ID

- Conducted stakeholder interviews and initial user research to align product capabilities with client business requirements.
- Created structured UI specifications, component libraries, and documentation for client handoff and engineering alignment.

ROCKTOKOM CONSULTING — Graphic Designer (Maskoolin)

2018 – 2020 | Jakarta, ID

- Designed digital visual assets, marketing campaign collateral, and interactive media for e-commerce initiatives.
